

Here is a link to the module handbook of our English master programmes in economics: www.wiso.uni-kiel.de/de/studium/dateien-studienfaecher/modulhandbuecher/module-manual-economics-master-programmes.pdf and here for the one in Business Administration: <https://www.wiso.uni-kiel.de/de/studium/dateien-studienfaecher/modulhandbuecher/modulhandbuch-msc-bwl-englisch>
To my knowledge they are not restricted since we try to be very flexible in the course choices. If courses shouldn't be available then we will make sure to find suitable alternatives. Also in order to avoid misunderstandings I'd like to have students contacting me if there are problems.

Best wishes,

Susan Brode
