Visa and Health Insurance	
Visa and Residence Permit	Non-EU citizens need a student visa and must apply early (immediately after receiving their letter of acceptance). Students from Japan, New Zealand, Malaysia, Singapore and the United Kingdom do not need a visa, but they must apply for an “<i>Aufenthaltsbewilligung</i>” (residence permit) through the SML International Office. All exchange students must apply for a residence permit (L-Permit) upon arrival. Proof of financial solvency (CHF 1,750 per month) is required for both visa and residence permit applications. After the application process has been finalized, the International Office will provide further information on how to apply for a visa/residence permit.
Health Insurance	Basic health insurance is mandatory by law in Switzerland and can be obtained after the student's arrival. Detailed information will be provided during Orientation Week. Non-EU residents must purchase Swiss health insurance (as low as CHF 61 per month); international health insurance obtained in the student's home country is usually not sufficient. EU residents with EHIC cards are exempt from this obligation. They need to submit a copy of their card, which must be valid for their entire stay in Switzerland.
