

#### 4. A NOTE ON STUDY TRIPS

Study trips serve to complement and enhance a student's academic experience. The trips are organized by Career & Corporate Placement Team.

On this current academic year there will be two different versions of this module: Online version – Meet the Market (January 2021) and Onsite version – Study Trips (May/June 2021).

Disclaimer: The Study Trips may have to take place online, as Meet the Market, due to Covid-19 restrictions.

Students looking to secure a place in a Study Trip must support all related costs (such as airfare, accommodation, meals, local transportation fare and other personal spending). However, all study trips require a deposit:

Deposits and fees	Deadline for May/June study trips (T4)
All study trips, including Lisbon and Oporto require a deposit of 150 euros (non-refundable if student withdraws from the trip)	Payable at Netpa or Bursary Office. Deposit for Spring study trips (T4) will take place after Spring Add/Drop period in Feb. 2021.

The Meet the Market (online version) don't have any fee or additional costs associated.

All Meet the Market and Study Trips require a minimum number of students enrolled in order for the trip to occur. For information regarding the Meet the Market and Study Trip agenda/itinerary, students must refer to syllabi available on Moodle.
