## News article discussion – 09 Raising Equity Capital

Please read the article “Why Deliveroo’s IPO might not be the dud it seemed” which can be found in Links in Documents for this topic.

The discussion of the article in class will be guided by the questions below.

### *Discussion questions*

1. Do you think the main reason Deliveroo’s IPO was a flop of the lack of profits?
2. Does the article suggest there is a risk for IPO overpricing?

“It is supply chain shortages, soaring inflation and spooked central banks that are ending the IPO party.”

3. Why do you think the quoted factors may affect IPO activity trends?
