

Public Economics

Spring 2025

Assignment 3

Please remember that, contrary to assignments 1 and 2, this is an individual assignment

- *Please include your name and number.*
- *Maximum length: 3 pages (font size 11, 1.5line spacing, standard margins).*
- *Please cite your references in case you choose to use them.*

Taking into account the role of the government in the provision of higher education, do you think you should pay more tuition?

Discuss your reasoning on efficiency and equity grounds, using the concepts (and the common language) we developed in class.
